2. Social indicators

2.1 Population size and migration

The population of the country as of October 1, 2026 amounted to 20633.5 thousand people, including 13254,1 thousand (64,2%) urban residents and 7379,4 thousand (35,8%) rural residents.

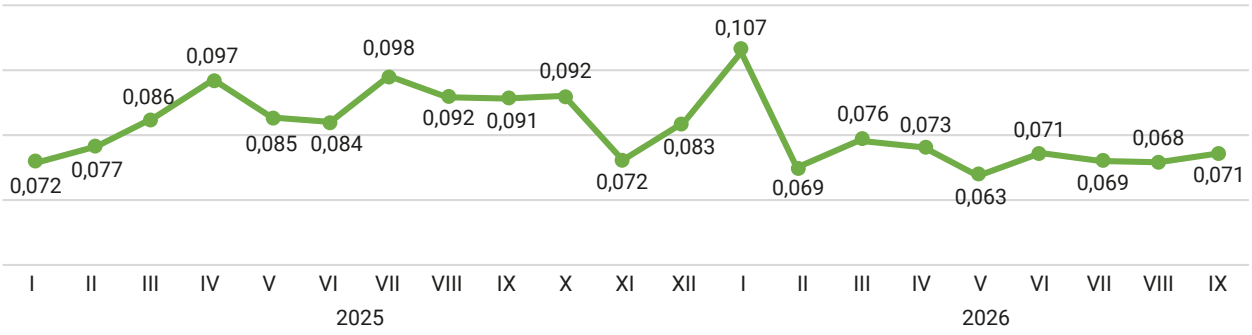

In January-September 2026, compared to January-September 2025, the number of arrivals to Kazakhstan decreased by 44,5%, while the number of departures from the country decreased by 40,3%.

The main migration exchange of the country occurs with the CIS member states, with the share of arrivals from and departures to these countries amounting to 69,5% and 63,7%, respectively.

The number of migrants moving within the country increased by 5,8%. A positive net migration balance due to interregional movements was recorded in five regions of the country: the cities of Astana (52029 people), Almaty (29019 people), Shymkent (11128 people), Akmola region (5500 people) and Almaty region (8307 people).

3.7 Statistics of agriculture, forestry, hunting and fisheries

Gross output of products (services) of agriculture, forestry and fisheries in January-October 2026 amounted to 8851,9 billion tenge, including crop production – 5212,4 billion tenge, livestock – 3572,1 billion tenge, hunting – 1,7 billion tenge, forestry – 22,8 billion tenge, fisheries and aquaculture – 30,9 billion tenge, services in agriculture – 12 billion tenge.

Out of the total output volume, agricultural formations account for 5949,9 billion tenge or 67,2 percent of the total volume, including 4217,0 billion tenge (82,3 percent) in crop production and 1665,5 billion tenge (46,6 percent) in livestock breeding.

Index of physical volume of gross output (services) of agriculture, forestry and fishery sector

in percentages

	January-October 2026 by January-October 2025	January-October 2025 by January-October 2024

3.9 Statistics of building and housing construction

In January-October 2026, the volume of construction work increased by 13,1% and amounted to 8959,2 billion tenge.

The largest amount of work in January-October 2026 was performed on the construction of facilities (4896,7 billion tenge), non-residential buildings (2680,7 billion tenge) and residential buildings (1381,8 billion tenge).

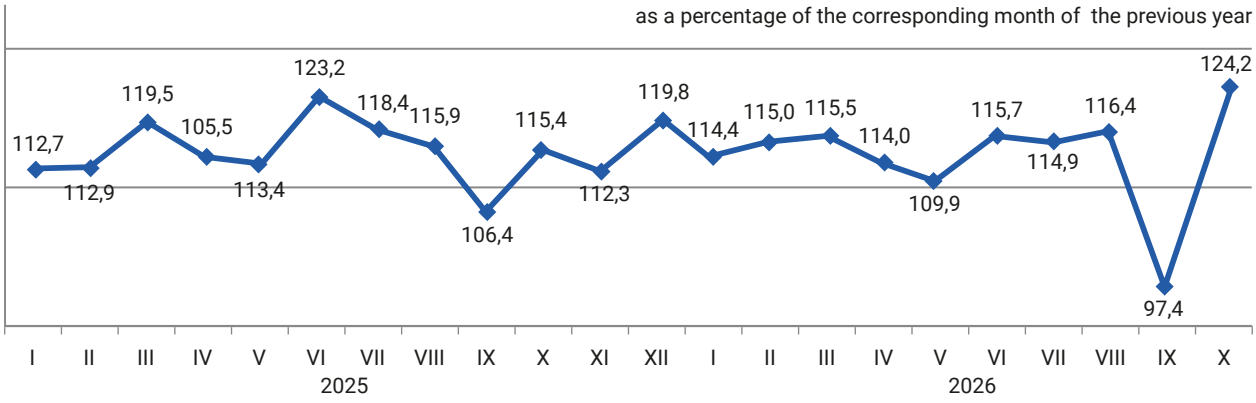

The volume of construction and installation work in January-October 2026 compared to January-October 2025 increased by 14,4% and amounted to 7336 billion tenge. The volume of construction work on major repairs increased by 9,4% and on current repairs by 5,4%.

In January-October 2026, the construction of 30958 new buildings was completed, of which 28517 are residential and 2441 are non-residential.

The following social and cultural facilities were put into operation:

- secondary school – 44;
- preschool organizations – 37;
- ambulatory polyclinic organizations – 9.
