*OKED – General classifier of types of economic activities

Volume of services rendered by the main type of activity (in the context of KPVED*)

in percentages

*KPVED - Classifier of products by type of economic activity.

3. Glossary

The volume of services rendered - the cost of services rendered by educational organizations in the amount of funds that come from enterprises, organizations and (or) directly from the population (households) in payment for the services rendered to them and are estimated as the income of the organization, which, in turn, is estimated at the cost of sales received or receivable.

Services - activities aimed at meeting any needs of a person or society as a whole.

Main type of activity - a type of activity, the added value of which exceeds the added value of any other type of activity carried out by an economic entity.

Secondary type of activity is a type of activity, in addition to the main one, which is carried out with the aim of producing products (goods and services) for third parties.

4. Methodological explanations
