S.2 Introduction-Relevance

This observation relates to the statistics of wages.

The purpose of this observation is to obtain information on the number of workers employed in harmful and other unfavorable working conditions.

Based on the observation results, users are provided with information on the number of employees employed in harmful and other unfavorable working conditions, on the number of employees for whom compensation has been established for work in harmful and other unfavorable working conditions and on the amount of compensation costs for work in harmful and other unfavorable working conditions in breakdown by types of economic activities, regions, by forms of ownership and by gender.

S.3 Updating metadata

S.3.1 Latest confirmation of updated metadata

S.3.2 Latest placement of metadata

S.3.3 Latest metadata update

S.4 Presentation of statistical information

S.4.1 Data description

The number of employees engaged in harmful and other adverse working conditions for certain types of economic activity, by region, by type of ownership and gender;

The number of employees for whom compensation has been established for work in harmful and other unfavorable working conditions, for certain types of economic activity and for regions;

The amount of expenses for compensation for work in harmful and other unfavorable working conditions by certain types of economic activity and by regions

S.4.2 Classification system

OKED GK 03-2007 General classifier of economic activities, CATO NK RK 11-2009 Classifier of administrative-territorial objects, KFS-Classifier of forms of ownership and types are posted on the website Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan www.stat.gov.kz in the "Classifiers" section.

S.4.3 Sectoral coverage

All legal entities and (or) their structural and separate divisions with the main activity in the field of agriculture, forestry and fisheries, industry, construction, transport and warehousing, accommodation and food services, information and communication, professional, scientific and technical activities, health care and social services, with the exception of those reporting on the statistical form "On the activities of a small enterprise" (index 2-MP, annual frequency)

S.4.4 Statistical concepts and definitions

The survey involves all legal entities and (or) their structural and separate subdivisions with the main activity in the field of agriculture, forestry and fisheries, industry, construction, transport and warehousing, accommodation and food services, information and communication, professional, scientific and technical activities, health care and social services, with the exception of those reporting on the statistical form "On the activities of a small enterprise" (index 2-MP, annual frequency).

Data collection is carried out according to the statistical form 1-T (working conditions) "Report on the number of employees employed in harmful and other unfavorable working conditions" by a continuous method once a year. Submission deadline is January 31 (inclusive) after the reporting period. The form was revised and registered by the order of the Chairman of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan and is available on the Committee's website www.stat.gov.kz in the section "Respondents" - Statistical Forms for 2019.

S.4.5 Statistical object

Enterprises and organizations.

S.4.6 General population (principle of selection of survey units)

All legal entities and (or) their structural and separate divisions with the main activity in the field of agriculture, forestry and fisheries, industry, construction, transport and warehousing, accommodation and food services, information and communication, professional, scientific and technical activities, health care and social services, except for those reporting on the statistical form "On the activities of a small enterprise" (index 2-MP, annual frequency).

S.4.7 Territorial coverage

Republic of Kazakhstan (14 regions, cities of republican significance and the capital)

S.4.8 Time coverage

From the year 2000

S.4.9 Base period

Not provided

S.5 Unit of measurement

Human

S.6 Reporting period

year

S.7 Legal basis

S.7.1 Legal framework

1. Law of the Republic of Kazakhstan dated March 19, 2010 No. 257-IV "On state statistics".
2. Rules for the provision of primary statistical data by respondents, approved by order of the Chairman of the Agency of the Republic of Kazakhstan on statistics dated July 9, 2010 No. 173.
3. The plan of statistical work, approved in accordance with the established legislation by the Order of the Minister of National Economy of the Republic of Kazakhstan.
4. Schedule for the dissemination of official statistical information, approved by the Order of the Chairman of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan.
5. Rules for the provision of statistical information on a gratuitous basis that is not provided for by the schedule for the dissemination of official statistical information and developed on the basis of primary statistical data submitted by respondents in accordance with the schedule for submitting primary statistical data by respondents, approved by the order of the Chairman of the Agency of the Republic of Kazakhstan on Statistics of May 20, 2010 No. 113.

T. 8 Confidentiality and data protection

S.8.1 Privacy Policy

1. Article 8 of the Law of the Republic of Kazakhstan dated March 19, 2010 "On State Statistics", in accordance with which a guarantee of confidentiality and protection of the submitted data by respondents is ensured.

2. Information security policy (hereinafter - the Policy) approved by the Order of the Chairman of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan dated October 31, 2016 No. 252 defines the goals, objectives, guidelines and practical techniques in the field of ensuring information security of the Committee. The main goal of the Policy is to ensure the availability of official statistical information, confidentiality of information stored and processed on the computer equipment of the Committee under the conditions of its integrity and authenticity.

S.8.2 Privacy - data handling

Rules for the provision and use for scientific purposes of databases in a de-identified form, approved by Order of the Ministry of National Economy of the Republic of Kazakhstan dated December 18, 2015 No. 778.

S.9 Publication Policy

S.9.1 Publication Calendar

Clause 1, Clause 2 of Article 26 of the Law of the Republic of Kazakhstan "On State Statistics" dated March 19, 2010 No. 257. The schedule for the dissemination of official statistical information is posted on the website of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan www.stat.gov.kz in the section "Home" - "Basic documents".

S.9.2 Access to the Graph

The schedule for the dissemination of official statistical information is posted on the website of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan www.stat.gov.kz in the section "Home" - "Basic documents".

S.9.3 User access

The website of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan www.stat.gov.kz - Home - Official statistical information - Operational data (bulletins, express information) - Labor statistics.

S.10 Propagation frequency

year

S.11 Dissemination format, accessibility and clarity

S.11.1 News publications

Press release "The number of employees employed in harmful and other unfavorable working conditions" annual. Information posted on the website Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan www.stat.gov.kz - in the section - Home - News.

S.11.2 Publications

Statistical bulletin "The number of workers employed in harmful and other unfavorable working conditions, by certain types of economic activity in the Republic of Kazakhstan." The bulletin is posted on the website of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan www.stat.gov.kz in the section Home - Official statistical information (by industry) - Labor - Bulletins

S.11.3 Databases in on-line mode

IAS "Taldau" in the section Labor and employment statistics. S.11.3.1 AC1.

Data tables-consultation

Not implemented

S.11.4 Microdata access

No access to microdata. The provision of de-identified databases is governed by the Rules for the provision and use of de-identified databases for scientific purposes, approved by the Chairman of the Agency of the Republic of Kazakhstan dated December 2, 2010 No. 168 (posted on the website of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan www.stat.gov.kz).

S.11.5 Other

S.11.5.1 AC2. Metadata consultation

Not implemented

S.12 Availability of Documentation

S.12.1 Methodology documentation

Instructions for filling out the statistical form of national statistical observation "Report on the number of employees employed in harmful and other unfavorable working conditions" (code 251112142, index 1-T (working conditions), annual frequency) approved by the Order of the Chairman of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan dated December 12, 2018 # 4.

S.12.2 Quality documentation

1. Policy in the field of quality, approved by the order of the Chairman of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan dated April 23, 2015 No. 67.

2. Objectives in the field of quality Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan, Objectives in the field of quality of the relevant structural unit.

3. Documented information of the quality management system: Quality manual; Documented procedures; Instructions; Process maps.

4. Standard methodology for describing the process of production of statistical information by state bodies, approved by the Order of the Chairman of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan dated March 30, 2015 No. 53;

5. Methodology for assessing the quality of official statistical information, approved by the Order of the Chairman of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan dated May 23, 2018 No. 63

S.13 Quality management

S.13.1 Quality assurance

The quality and reliability of data on pay statistics is supported by generally accepted procedures:

- compliance with the basic principles of primary accounting;
- use of standard statistical classifications;
- at the stages of collection and processing of primary data, all control schemes (format-logical, arithmetic) have been developed and implemented;

S.13.2 Quality control

S.14 Relevance

S.14.1 Needs

Information users: government agencies, individuals and legal entities, international organizations.

S.14.2 User satisfaction

An annual survey of users of official statistical information is carried out according to the questionnaire Q-002 "Survey of users".

S.14.3 Completeness / R1. Data completeness-share

S.15 Accuracy and reliability (to be completed according to the type of observation)

S.15.1 Overall accuracy

S.15.2 Sample errors - indicators / A1.

Unacceptably

S.15.3 Non-sampling error

Unacceptably

S.15.3.1 Coverage error

Unacceptably

S.15.3.1.1 A2. Overcoverage-share

Unacceptably.

S.15.3.1.2 A3. Common units-ratio

Unacceptably.

S.15.3.3 No response errors

S.15.3.3.1 A4. Absence unit-share

Unacceptably

S.15.3.3.2 A5. No response-share clause

Unacceptably

S.16 Timeliness and punctuality

S.16.1 Timeliness

S.16.1.1 TP1 Waiting period - first results

The first results for the year in the bulletin "The number of workers employed in harmful and other unfavorable working conditions, by certain types of economic activity in the Republic of Kazakhstan" are published on the 64th day after the deadline for the provision of primary statistical information by respondents and are final. The release date was approved and published in the Statistical Work Plan and in the Schedule for the dissemination of official statistical information.

S.16.1.2 TP2.Waiting Period - Latest Results

The results of the survey are published according to the terms specified in the Statistical Work Plan annually and are final.

S.16.2 Punctuality

S.16.2.1 Punctuality / TP3

The survey results are published according to the terms specified in the Statistical Work Plan.

S.17 Comparability

S.17.1 Geographic comparability

S.17.1.1 Asymmetry in mirror flow statistics-coefficient / CC1

Unacceptably

S.17.2 Length of comparable time series / CC2

Dynamic indicators on the number of employees employed in harmful and other unfavorable working conditions have been comparable and continuous since 2000.

S.18 Consistency

S.18.1 External consistency, crossover S.18.2

Internal consistency

The statistical tools are coordinated with all structural divisions of the Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan

S.19 Load

Data are provided in statistical form on paper or in electronic form. In electronic form through the use of the information system "Data collection in on-line mode".

S.20 Revision of data

S.20.2 Revision of data / A6

Unacceptably

S.21 Processing of statistical data

S.21.1 Input data

The collection and processing of data in this form is carried out by the number of employees employed in harmful and other unfavorable working conditions for certain types of economic activity, by ownership, by region and by gender;

The number of employees for whom compensation has been established for work in harmful and other unfavorable working conditions, for certain types of economic activity and for regions;

The amount of expenses for compensation for work in harmful and other unfavorable working conditions by certain types of economic activity and by regions.

The collection of statistical information is carried out from all legal entities and (or) their structural and separate subdivisions with the main activity in the field of agriculture, forestry and fisheries, industry, construction, transport and warehousing, accommodation and food services, information and communication, professional, scientific and technical activities, health care and social services, except for those reporting on the statistical form "On the activities of a small enterprise" (index 2-MP, annual frequency).

S.21.2 Inspection frequency

year

S.21.3 Method (method) of collecting primary statistical data

The submission of the statistical form is carried out on paper or in electronic form through the information system "Data collection in on-line mode", posted on the Internet resource Bureau of national statistics of the Agency for strategic planning and reforms of the Republic of Kazakhstan.

S.21.4 Reliability of primary statistical data

Data processing procedures include format-logical controls. Plausibility checks include the following:

- checking the coverage of respondents;
- comparison of statistical data with data of other statistical forms.

S.21.5 Imputation - share / A7

Not applicable.

S.21.6 Correction

Not applicable.

S.21.6.1 Seasonal adjustment

Not applicable.

S.22 Notes

In the future, continue to work to ensure data quality.
